

Directions to YW Boston

YW Boston is located at 140 Clarendon Street, at Copley Square in Boston's Historic Back Bay, adjacent to the John Hancock Tower.

From the Massachusetts Turnpike

Use the Prudential-Copley exit and follow the signs for Copley Square. Proceed straight down Stuart Street just one block and turn right on Clarendon Street: you're at our front door.

From Storrow Drive

Use the Copley Square-Clarendon Street exit and simply cross the Back Bay. We're one door past the Hancock Tower.

From the Southeast Expressway

Use the East Berkeley Street exit through the Historic South End. Turn left at St. James Street, and again at Clarendon. We're just two blocks away.

From the MBTA

- Take the Orange Line to Back Bay Station, but use the Clarendon Street exit. We're less than a block to the left between the station and the Hancock Tower.
- Take the Green Line to Copley Station. Cross Copley Square diagonally, and you'll find us just past the Hancock Tower on the right on Clarendon Street.

Parking

We recommend the garage adjacent to our building at 100 Clarendon Street as street parking is limited.
